Invitation

Dear Colleagues and Friends,

It is truly a great pleasure to bring your attention to the 25th Congress of the KSSMN & 2018 International Symposium, which is being prepared to serve as a valuable and significant occasion to exchange ideas and explore strategies that can address current issues in the field of Surgical Metabolism and Nutrition.

As it is an event that gathers internationally renowned leaders and young professionals, I am confident that we are more than ready and well-prepared to hold a successful and productive meeting thanks to your interest, and world-famous medical professionals who are invited as our speakers.

The symposium will provide you with an opportunity to learn about the recent nutritional issues and experimental studies. I would say without hesitation that this symposium will provide a platform for every participant to broaden his or her professional horizons by letting them to keep abreast of the latest knowledge and developments in Surgical Metabolism and Nutrition.

During two days of the symposium, I firmly believe that new knowledge and idea will be presented, exchanged and actively discussed between participants from diverse background.

I'm delighted to welcome all participants, experts and those entering the field. I hope you all to enjoy this rich, varied and attractive scientific and cultural program.

I hope you all enjoy yourselves at this rich and attractive scientific and cultural program.

Thank you

Sincerely,

Jae Moon Bae, M.D., Ph.D.

President of Korean Society of Surgical Metabolism and Nutrition
