RE: "-----" by Drs XXX et al. previously published in the Journal of the Japanese Society for Surgical Metabolism and Nutrition. (Vol., No. pp. Year)

Dear <name>,

This paper, previously published in our regional journal in Japanese, was submitted to your journal.

Since we have confirmed there are no identical figures nor an English abstract published on PubMed, the editorial board of the Journal of the Japanese Society for Surgical Metabolism and Nutrition found that the submission to your journal is not considered to be double-publication.
